Accepted Student Weekend

Event Descriptions

**Academic Advising:** Learn how to plan your first year: how to select courses, explore a major, and set some academic goals.

**Accepted Student Info:** Get important information on what to do next: make your deposit, complete the housing application, select an orientation date, etc.

**Career Center Services:** Center staff is here to provide students and alumni with the services and tools they’ll need to gain employment experience and valuable professional skills during and after their time at the College.

**Diversity Discussion:** How does the College provide, support services and culturally based programs that educate and empower students to be agents of change in our increasingly diverse society?

**Faculty Panel Discussion:** Learn how your college classes will be different from your high school classes and how to best navigate that change.

**Majors and Minors Fairs:** Explore the variety of academic offerings at the College and meet with faculty from all six of our schools. Please note the location for each of the six schools.

**Pre-Health Panel:** Interested in a career in the health professions? Get insights into the way the College can help make that happen.

**Regional Sessions:** Looking to connect with people from your hometown, home state or part of the world? Ask any questions you have about the College and your next steps, and connect with new friends.

**Student Life Panel:** Have questions only a current student could answer? Talk to CofC students and learn about their experiences at the College.

**Support Services Panel:** The College provides tools that help students achieve their full potential. Participants include the Center for Student Learning, First-Year Experience, Student Counseling Services, and more.
