Avery Research Center
125 Bull St., Charleston

The mission of the Avery Research Center for African American History and Culture is to collect, preserve, and promote the unique history and culture of the African diaspora, with emphasis on Charleston and the South Carolina Lowcountry. Avery’s archival collections, museum exhibitions, and public programming reflect these diverse populations as well as the wider African Diaspora. The Avery Research Center is located in the historic Harleston Village.

* Currently closed for renovation.

Harbor Walk
360 Concord St., Charleston

Located on Charleston Harbor, just a few blocks from the main campus, the College’s Harbor Walk facilities contain classrooms, labs and offices for the biology, computer science and physics and astronomy departments.

The computer science information session at Harbor Walk will be held at 2:30 p.m.

Grice Marine Laboratory
205 Fort Johnson Rd., Charleston

The Grice Marine Laboratory is the marine lab of the College of Charleston and houses academic programs in Marine Biology. The lab supports teaching and research in evolutionary biology, marine biogeography, cellular and molecular biology, benthic ecology, immunology, microbial ecology, phytoplankton ecology, environmental physiology, fish systematics, and invertebrate zoology and other marine sciences. The laboratory is located at Fort Johnson on James Island.
