

DECISION *Time*

admissions@cofc.edu

I AM ATTENDING *and* CHOOSING TO LIVE:

1. ON CAMPUS

If you plan to attend the College and want to live on campus, **you must pay a \$300, nonrefundable deposit.** (Early decision enrollment deposit is due by January 1.) Once the Office of Campus Housing has received notice of your deposit, you'll have to pay a \$50 application fee and then complete the housing application.

1. The \$300 deposit will be credited to your account as follows:

- \$100 will be applied to your tuition.
- \$200 will be a housing deposit that covers the fall and spring terms.

The College **guarantees on-campus housing only to new students who have paid their deposits and completed the housing application by May 1.**

NOTE: Housing assignments are made based on the date students submit the housing application. The longer you wait, the more difficult it will be for the College to accommodate your building and roommate preferences.

If you have questions, please contact the Office of Campus Housing at 843.953.5523 or housing@cofc.edu.

2. OFF CAMPUS

If you plan to attend the College, but do not want to sign up for on-campus housing, **your nonrefundable deposit is \$100.** This deposit will be applied toward your tuition.

TAKE THE NEXT Steps

WE LOOK FORWARD TO SEEING YOU IN THE FALL!

Here are the next steps you need to take in the admission process:

1 | CONFIRM YOUR ENROLLMENT

Early decision students must pay their enrollment deposit by Jan. 1. Everyone else should submit their nonrefundable deposits and housing application as soon as possible. Follow the instructions on the decision time form included in this packet. The College guarantees on-campus housing only to incoming freshmen who have paid their deposits and completed the housing application by May 1.

note: You are required to inform the Office of Admissions of any disciplinary or criminal sanction that occurs subsequent to an offer of admission.

2 | USE YOUR COLLEGE EMAIL ACCOUNT

After you submit your deposits, the College will set up the official email account that you'll use as a student. Keep an eye on the email address that you used on your application for instructions from our IT department regarding this. Once your official email account is set up, you'll receive information about billing, health services and other important business via that address. You can check your student email account by logging into my.cofc.edu and going to the Cmail icon.

3 | SEND YOUR FINAL OFFICIAL TRANSCRIPTS

Arrange to have your final official high school and/or college transcripts sent to the College when you complete your current term. Please remember that your acceptance to the College of Charleston is contingent upon you maintaining the same high level of academic performance for the remainder of the school term. If a substantial change should occur, the committee reserves the right to revisit its original decision.

4 | SEND YOUR TEST SCORES

AP/IB/CLEP scores should be sent to the College of Charleston for credit evaluation before you attend orientation. We will award credit based on your scores.

5 | CHECK YOUR TRANSFER CREDIT EVALUATIONS

You can follow the transfer-credit evaluation process through Degree Works in MyCharleston (my.cofc.edu). If you've paid your deposit, Degree Works is on the "academic services" tab; if you haven't, it's on the "admissions status" tab. If we've received your transcript documentation before your orientation session, you should know the outcome by then. registrar.cofc.edu/transfer/evaluations.php

PARKING

parkingservices.cofc.edu | 843.953.7834 | parkingservices@cofc.edu

Parking in and around campus is very limited. Students will be assigned parking based on the number of cumulative credit hours earned and on file with the Office of the Registrar at the time that assignments are made.

Students living on campus who have fewer than 60 cumulative credit hours earned and on file are not eligible to apply for a College of Charleston parking permit.

If there are not enough spaces to accommodate everyone who is eligible, priority will be given to commuters who do not live on campus.

ORIENTATION

In order to help you make a smooth transition to the College, we will expect you to attend one of our two-day orientation sessions.

Orientation is held before classes begin so that you can meet with an advisor, register for classes, meet other new students, and become familiar with what the College has to offer you. Students who have paid their enrollment confirmation deposit will receive orientation and registration information by mail beginning in March.
