AVERY RESEARCH CENTER
125 Bull St., Charleston
The mission of the Avery Research Center for African American History and Culture is to collect, preserve, and promote the unique history and culture of the African diaspora, with emphasis on Charleston and the South Carolina Lowcountry. Avery’s archival collections, museum exhibitions, and public programming reflect these diverse populations as well as the wider African Diaspora. The Avery Research Center is located in the historic Harleston Village.

HARBOR WALK
360 Concord St., Charleston
Located on Charleston Harbor, just a few blocks from the main campus, the College’s Harbor Walk facilities contain classrooms, labs and offices for the biology, computer science and physics and astronomy departments.

PATRIOTS POINT ATHLETICS COMPLEX
Patriots Blvd., Mt. Pleasant
The $6.5 million facility is home to the Cougar soccer, softball, tennis and baseball programs.

The College of Charleston is an NCAA Division I university in the Colonial Athletic Association. More than 300 student-athletes make up the College of Charleston’s 19 varsity sports teams.

GRICE MARINE LABORATORY
205 Fort Johnson Rd., Charleston
The Grice Marine Laboratory is the marine lab of the College of Charleston and houses academic programs in Marine Biology. The lab supports teaching and research in evolutionary biology, marine biogeography, cellular and molecular biology, benthic ecology, immunology, microbial ecology, phytoplankton ecology, environmental physiology, fish systematics, and invertebrate zoology and other marine sciences. The laboratory is located at Fort Johnson on James Island.
