Dear Friends:

Thank you for serving as admissions volunteers for the College of Charleston Cougar PAWWS Program (Parents & Alumni Working With Students). Because of your volunteer leadership, we will provide a personalized admissions experience to a large number of our prospective students and develop a more diverse campus community.

As a graduate of the College of Charleston, I can attest that there is no finer liberal arts and sciences education in America than the one offered by the College. Our schools - no matter the discipline - prepare their graduates to be successful: successful in their careers, successful in their civic engagement, and successful in their lives. For our students, a College of Charleston education is a gateway to a successful future.

Every year, members of our campus community, alumni, parents, and friends play a vital role in helping us recruit and retain some of the brightest and most talented minds in the country and the world. Your endorsement, as a graduate or parent, is especially powerful in conveying the boundless opportunities the College of Charleston has to offer. Because of your help, we have seen an increase in our minority applications.

As we kick off another recruiting cycle, we need your help in assisting our dedicated, yet small, Admissions staff in telling our story of excellence in undergraduate teaching. Together, we can spread the good news about the College to more communities across the country and the world as well as elevate our national profile in key markets that are too far away for our Admissions staff to travel.

Some of the things you can do to be an advocate and ambassador for the College include attending a college fair, hosting a reception, or communicating with students and parents by telephone. Regardless of which activity you choose, we sincerely value your time, commitment, and support.

By encouraging prospective students to attend the College, you are helping them take the first step in changing the trajectory of their lives. Thank you for joining with us to recruit another group of outstanding students and future College of Charleston alumni!

Sincerely,

Glenn F. McConnell '69
MISSION
The mission of Parents and Alumni Working With Students (PAWWS) is to take a meaningful role in recruiting and enrolling high achieving, diverse students for the College of Charleston.

ROLE
Each year the Office of Admissions, along with the President and the Board of Trustees, sets admission enrollment goals. PAWWS (Parents, Alumni Working With Students) members serve as ambassadors for the College to assist the Office of Admissions in achieving these goals. Enthusiastic volunteers are excellent resources for students and their families who want to learn more about the characteristics of a College of Charleston education, student/faculty interaction, campus activities, and career opportunities.

RESPONSIBILITIES
» Serve as a positive ambassador for the College at college nights and fairs.
   You may be asked to assist an Admissions Counselor and/or represent the College of Charleston at an assigned booth or table where students and parents seek information about colleges.

» Host or Co-host yield/send-off receptions.
   You may wish to host a reception for prospective and/or admitted students who live in your surrounding area.

» Attend receptions in your region.
   You may be asked to serve as a co-host at a reception in your area.

» Visit and establish relationships with local high schools.
   You may be asked to reach out to high schools in your area by delivering current College information, offering to meet with guidance counselors and/or prospective students.

» Contact students by calling campaigns or email.
   The students we admit are highly qualified and typically garner a high level of attention from the many colleges that admit them. Your personal contact with students and/or their families can make a difference in the college they ultimately choose.

» Participate in occasional volunteer training events on campus/in your local area.
   Information sessions and training events will be organized on campus and in various regions throughout the year to support your efforts to recruit students.

» Maintain up-to-date information about the College of Charleston.
   Various materials will be available, in addition to the college website, to serve as references for current information about the College.

TIME COMMITMENT
Approximately 15–20 hours per year will be required, depending on the tasks with which you agree to assist.

If you are interested in becoming a Cougar PAWWS volunteer, please contact:
Heather Chipley
Director for Admissions
Visitor Services and Volunteer Outreach
843.953.4977 or chipleyh@cofc.edu
Ashley Lawrence
Associate Director for Cougar PAWWS
Visitor Services and Volunteer Outreach
843.953.3173 or lawrenceajf@cofc.edu
GENERAL ADMISSIONS INFORMATION

Situated in the midst of a city that treasures its past while promoting its future, the College of Charleston is located on one of the nation’s most beautiful historic campuses. Founded in 1770 and chartered in 1785, the College is the oldest institution of higher education in South Carolina and the thirteenth oldest in the United States. In 1836, it became the nation’s first municipal college and in 1970 it joined the state’s higher education system. In 1992, the Graduate School was established and today this modern, thriving academic institution offers a world class liberal arts education for more than 10,500 undergraduate and 1,500 graduate students.

- Approximately 10,500 undergraduate and 1,500 graduate students
- 65% in-state and 35% out-of-state student body
- International students from 62 foreign countries
- 15% minority
- 16:1 student to faculty ratio
- Average class size: 26

ADMISSIONS PROCESS AND TIMELINE

Students must apply online at cofc.edu/apply.

2016-2017 application deadlines:
- November 1 – Early notification (non-binding decision)
- December 1 – To be considered for merit-based scholarships and Honors application
- February 1 – Regular admission (priority deadline)

Students applying for early notification will receive a decision by the end of December. Students applying for regular admission will receive a decision by mid-April.

Important note: in order to receive information about orientation and housing, students must submit a $300 non-refundable enrollment deposit ($100 tuition deposit and $200 housing deposit), as well as a $30 housing application fee. (Housing is only guaranteed for incoming freshmen who pay the $200 housing deposit and $30 housing application fee by May 1). If a student wants to attend the College of Charleston but does not want to live on campus, they are only required to pay the $100 tuition deposit.

ADMISSION FACTORS

The challenge of recruiting well-qualified, talented students who are a good “fit” for College of Charleston is a daunting task. We value input from administration, faculty, current students, alumni and parents. When making freshman admission decisions, the College of Charleston admissions committee relies on several factors.

Primary admission factors:
- Course curriculum
- High school GPA
- SAT/ACT scores
- Class rank
- State of residency (preference given to S.C. residents)

Secondary admission factors:
- Admission essay
- Leadership skills
- Letters of recommendations (not required)
- Extracurricular activities
- Special talents and abilities
ADMISSIONS PROFILE

In addition to consistent academic achievement in the A/B range, the average admitted applicant scores/ranks as follows:

SAT
The middle 50% of students enrolled will have:
» In-state: 1040-1200
» Out-of-state: 1110-1260

ACT
The middle 50% of students enrolled will have:
» In-state: 23-27
» Out-of-state: 25-29
Note: averages do not include the writing portion of either standardized test.

Average class rank: top 20%

Recommended high school curriculum
» 4 units—English, math and lab science
» 3 units—Foreign language, social sciences
» 1 unit—Physical education or ROTC, fine arts, electives

Students are encouraged to go above and beyond our recommendations, especially by taking AP and Honors classes.

Transfer students with at least 24 semester hours of college-level credits need a minimum cumulative 2.6 GPA for in-state students and 3.0 GPA for out-of-state students to be considered for admission. Transfer students with less than 30 semester hours of college-level credits need to meet the GPA requirements listed above and need to submit their high school transcript and test scores in addition to college transcripts for review.

CAMPUS VISITS

One of the best ways to make a decision on college enrollment is by visiting the campus. There are a number of ways to visit the College. Fall campus visits are offered Mon. and Fri. at 9:30 a.m., 11:30 a.m. and 1:30 p.m. and Tues.-Thurs. at 11:30 a.m. and 1:30 p.m. Spring campus visits are offered Mon.-Fri. at 9:30 a.m., 11:00 a.m. and 1:30 p.m., and at least one Saturday each month at 11:30 a.m.

Campus visits begin at the Office of Admissions (Craig Hall, 65 George St.) with a 30-minute information session conducted by an admissions counselor. Immediately following, families take a 75-minute campus walking tour led by one of our “Charleston 40” student tour guides. Tour space is limited and offered on a first-come, first-served basis. Interested students must register in advance online at admissions.cofc.edu/exploretocampus visits. (Students can also register by phone at 843.953.5670.

At “Open House” events, the College offers extended activities designed to give prospective students and their families a more detailed view of programs and offerings at the College. Information is
provided about academic departments, residence life, financial aid, student activities, etc. Partial listing of event dates for the upcoming year are as follows:

Maroon Mondays (Info Sessions, Tours, Residence Halls Drop In & Special Topics) will be held September 7th & October 12th.

Super Saturdays (Info Sessions, Tours, Residence Halls Drop In & Special Topics) will be held September 19th & October 3rd.

AALANA (African American, Latino, Asian, Native American) Preview Day will be held September 26, 2015.

MOVE (Multicultural Overnight Visit Experience) will be held September 25, October 9, & November 6, 2015.

ACADEMIC UPDATES

A list of specific academic majors and minors may be found on Page 11.

- Public Health (B.S. or B.A.), dance and archeology
- Supply Chain Management
- New business courses in venture creation and small business management
- New programs in early childhood education and middle level education
- The Department of Communication (one of our most popular majors) recently sent students to intern with NASCAR, Red Cross, Bank of America, Good Morning America and Kiawah Island Resort
- S.C. Commission on Higher Education recognized the College for French, German, Spanish, History, Classics and Bi-lingual interpreting programs
- New Science Center opened in recent years
- Our School of Science and Mathematics has earned the most Commendations of Excellence, the highest award from the Commission of Higher Education, in the state
- We have an exclusive alliance with NASA which allows our students to view a live feed of Mars
- TD Arena, Science Center, Addlestone Library, School of Business, Cato Center – outstanding facilities

HONORS COLLEGE

The Honors College at the College of Charleston challenges bright, motivated students to make the most of the opportunities available to them and to become actively involved in their own education. Honors classes are smaller, thereby allowing for more intensive student participation. They are accelerated to meet the needs of superior students and many of them are interdisciplinary and team-taught so that the student’s education transcends the boundaries of traditional academic disciplines. There is a separate application required for admission to the Honors College. Apply by December 1.

Typical student profile:
- Strong honors/AP schedule, active in extra-curricular and leadership activities.
- 1300-1400 SAT/29-31 ACT
- Average Rank in Class 95%
- High GPA (average unweighted): 3.86
HOUSING

Housing information is sent to students once they have been accepted. **Students must pay the $200 deposit and $30 application fee by May 1 to guarantee on-campus housing.** Note: housing options vary in style and pricing. Early deposits are encouraged.

FINANCIAL AID AND SCHOLARSHIPS

There are several types of federal and state sponsored financial aid programs available to prospective students including scholarships, grants, work-study, and student and parent loans.

**Federal Financial Aid Programs**

Federal student programs are described in *The Guide to Federal Student Aid* published by the U.S. Department of Education and may be accessed at studentaid.ed.gov.

**Merit-Based Scholarships**

Students must have all documents and a completed application to the Office of Admissions by Dec. 1 to be considered for merit-based scholarships. Considerations include but are not limited to:

- 1,300 SAT/30 ACT
- High GPA and class rank
- Palmetto Promise: The CofC Palmetto Promise guarantees that all Palmetto Fellows admitted as entering freshmen will receive at least $2,000 in institutional scholarships.

**Departmental Scholarships**

There are scholarships available for 49 many Departments/Majors. Students interested should refer to the Financial Aid and Veterans Affairs webpage on the College website for more information.

**Athletic Scholarships**

Students should complete interest form on the web and have their coach contact College of Charleston’s coaches. (There are no scholarships for the Sailing and Equestrian teams.)

MULTICULTURAL STUDENT PROGRAMS AND SERVICES

The mission of the Office of Multicultural Student Programs (MSPS) is to develop new initiatives and complement existing programs that enhance the holistic development of minority students. The MSPS staff works cooperatively with students, faculty and staff to develop programs, which assist students from admission to graduation. As a member of the College of Charleston family and the greater community, MSPS works cooperatively to create a welcoming campus climate, which fosters academic success and the recruitment and retention of a diverse and inclusive student body and future workforce.

ORGANIZATIONS AND ATHLETICS

A list of specific organizations and teams may be found at the end of this manual.

- Division One – Colonial Athletic Association
- Campus Recreation, Intramural and Club Sports
- Over 200 Clubs and student organizations
- Approximately 20% of students are involved in Greek Life. There are 26 nationally recognized sororities and fraternities on campus.

SCHOOL OF SCIENCES & MATHEMATICS

**Majors:**
Astrophysics, Astronomy, Biochemistry, Biology, Chemistry, Computer Science, Computing in the Arts, Data Science, Geology, Marine Biology, Mathematics, Physics

**Interdisciplinary Minors:**
Environmental Studies, Neuroscience

**Concentrations:**
Biology: Molecular biology
Chemistry: Environmental chemistry
Physics: Energy Production, Meteorology

**Pre-Professional Curriculum:**
Allied health, Dentistry, Medicine, Nursing, Optometry, Osteopathy, Podiatry, Pharmacy, Veterinary medicine
FREQUENTLY ASKED QUESTIONS

1. When will I find out about housing and orientation?
   Once students submit their enrollment deposits, they’ll receive housing and orientation information via email.

   Freshmen who want to live on-campus in the fall must submit their enrollment deposits and housing application fee & application by May 1. The College cannot guarantee on-campus housing after May 1. Housing assignments are made in deposit date order; the earlier you deposit, the more likely you are to receive housing of your choice.

2. How do I pay my enrollment deposits?
   Students may deposit online or by mail. To deposit online, they must visit my.cofc.edu and log in to their MyCharleston account. Admitted students will receive an email with instructions on how to log in for the first time. Once they have logged in, students must click the Student tab, then E-bills, and then Deposits. If students opt to submit their deposit by mail, they must include the enrollment form.

3. Is housing guaranteed all four years?
   Housing is not guaranteed for all four years; however, housing is assigned based on the number of semester hours a student has earned. All students who want to live on campus after their freshman year are able to do so, provided they meet deadlines.

4. Can freshmen bring cars?
   Because the campus is situated in the middle of an urban area, parking can pose a challenge. Fortunately, because of our location, it is not necessary to have a car. Freshmen who have fewer than 30 semester hours of college work are not eligible for campus parking. The Auxiliary Services Office (843. 953.7834) does provide listings of off-campus parking spaces available to students.

5. What sort of public transportation is available around campus?
   The CARTA public transportation system is free to students, faculty and staff, including the DASH route downtown and any CARTA route outside of the downtown area. For more information, visit ridecarta.com. The College also has the Cougar Shuttle that will come and pick you up and anywhere on the peninsula and return you to campus.

6. How safe is the College of Charleston?
   The College of Charleston is located in an urban setting. Our campus is historically significant and a host to numerous visitors who come to enjoy the beauty and architecture. We encourage all members of the campus community to use common sense and practice good personal safety techniques at all times. A campus safety escort service is available as well as emergency call boxes, which are strategically placed in 45 locations across campus. The Cougar Alert system is in place. Copies of the annual security report containing campus security policies and procedures as well as crime statistics are available at both Student Affairs and Public Safety.
7. When can I visit campus?

The Office of Admissions offers information sessions and campus tours when school is in session.

» Fall: Mon. and Fri.: 9:30 a.m., 11:30 a.m. and 1:30 p.m.; Tues.-Thurs.: 11:30 a.m. and 1:30 p.m.

» Spring: Mon.-Fri. at 9:30 a.m., 11:30 a.m. and 1:30 p.m. Some Saturday tours are available at 11:30 a.m. Summer tour times vary. For more information, see Page 6 or visit cofc.edu.

8. What happens if there is a hurricane?

Throughout the hurricane season (June-Nov.), the College of Charleston Department of Public Safety monitors all weather developments in the Atlantic Ocean. In the event a hurricane threatens the campus, the U.S. Weather Bureau will issue a “Hurricane Watch” (i.e., threat of hurricane conditions within 24-36 hours) or a “Hurricane Warning” (i.e., hurricane conditions expected within 24 hours). If a hurricane warning is issued, the College’s Emergency Management Team (EMT) will activate the Hurricane/Tropical Storm Emergency Plan. The EMT is prepared to respond 24 hours a day, seven days a week. Student safety is our primary concern. If a formal warning, the College will cancel classes in a timely manner so students may evacuate the area. Transportation and accommodations will be provided for students who need them.

9. Is the College of Charleston a party school?

The College of Charleston has a strict alcohol and drug policy. There are many clubs and organizations on campus, as well as in the city of Charleston. Students must use their own discretion when choosing to participate in social activities.

10. What is the alcohol policy?

Students under the age of 21 are not allowed to have any alcoholic beverages in their possession. Students caught with alcohol will be subject to disciplinary action. The College has a no tolerance policy for drugs or drug paraphernalia. Students caught with this will be immediately removed from on-campus housing.

11. Do you accept AP and IB credits?

Contact the Office of Admissions for specific information.

» AP - The college often awards one semester's credit, or in some cases two semester's credit with a score of 3, 4, or 5 on an AP exam. Visit registrar.cofc.edu/transfer for more information.

» IB - The College often awards one semester's credit, or in some cases two semester's credit with a score of 5, 6, or 7 on a Higher-level IB exam. Visit registrar.cofc.edu/transfer for more information.

12. What is the cost?

2015-16 tuition for the academic school year:

» In-state: $10,900

» Out-of-state: $28,444

Visit finaid.cofc.edu for up-to-date information on tuition costs.
