The Most Economical Way
to attend a U.S. University

The Best Way to Attend a U.S. University is Through a Sister-State Scholarship.

The College of Charleston offers reduced, in-state tuition rates to qualified international students who are residents of its sister states, honoring the alliance and friendship between our state - South Carolina, USA - and yours:

» Queensland, Australia
» Brandenburg, Germany
» Rheinland Pfalz, Germany
» Thüringen, Germany
» Taiwan

Here’s How It Works:

Step 1: Apply to the College of Charleston.

Step 2: Once accepted, demonstrate you’re a citizen of one of our sister states (by way of your passport).

Step 3: Enroll as an undergraduate or graduate student at in-state cost - over a 50% tuition reduction.
