- I understand that I am eligible to participate in a credit or non-credit course on a "space available basis" where the course has sufficient enrollment to be offered but is not at maximum capacity as defined by College of Charleston. Program registration dates for each semester will be posted on the official academic calendar.
- Maymester/Summer travel trip participation is only offered to students in this status upon permission of the Dean of Maymester/Summer School. This program covers only the tuition for the course; not travel related expenses and associated fees.
- I understand that some courses are available to me for a letter grade only and not available for a grade of "audit," including but not limited to Studio Art, Music Performance, Computer Science and Creative Writing.
